Residential on 0.16 Acres

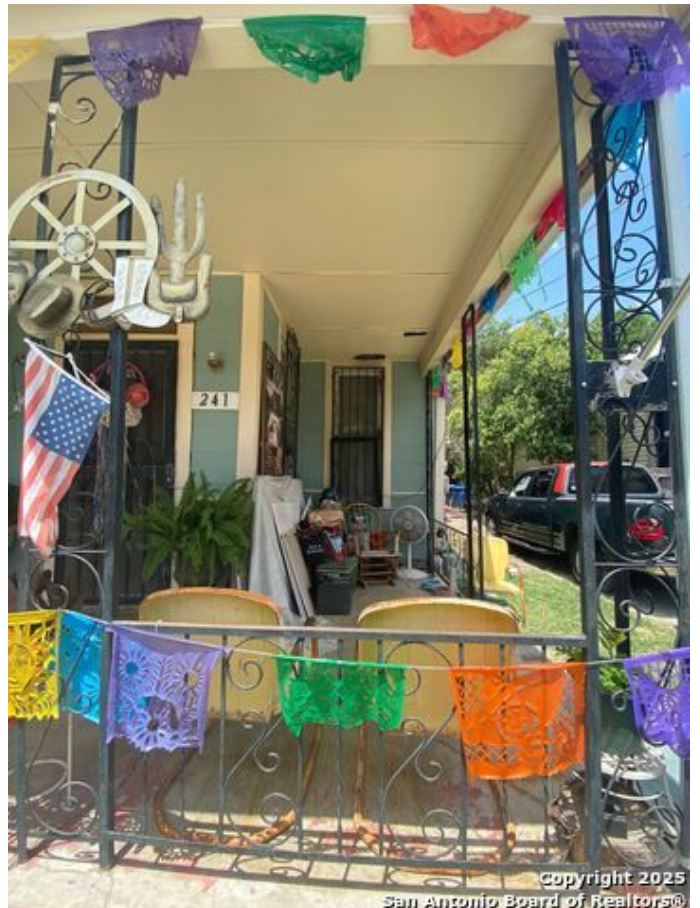

S DURANGO/PROBANDT, San Antonio, TX

Located near the vibrant King William District and Lone Star District, this property is in a prime location close to dining, shops, and local attractions. This home is full of character and charm, offering a unique, non-cookie-cutter layout. While it needs updates, including some possible foundation work and renovations, it provides a fantastic opportunity for someone with a vision to restore it to its full potential. Roof is 5+ years old. Ceilings in kitchen and dining room height are original to home. Bedrooms have dropped ceilings that can potentially be returned to their original height. The living room was converted into a bedroom (making it 4 bds), but has potential to be restored. The home is being sold as-is, making it a great project for buyers looking to customize and add value. Don't miss out-schedule your showing today!
