Hickory Ridge, Elmendorf, TX

Welcome to 16518 Rosemary Ridge, a spacious single-story Arlington Plan located in the highly sought-after Hickory Ridge community. This Modern Farmhouse elevation features brick and board-and-batten detailing with an 8-ft front door. Please note: this homesite requires more brick on the front elevation than what is shown on the artistic rendering. The homesite is a west-facing lot with no rear neighbors, providing a shaded backyard covered patio. Inside, the open-concept design centers around a generous kitchen with abundant cabinetry, crisp white quartz countertops, and a large walk-in pantry. Stainless steel appliances include a gas range and built-in microwave, complemented by a deep farmhouse sink, under-cabinet lighting, and pendant lights over the island. A dramatic 8'x12' three-panel stacking patio door at the rear of the home brings in natural light and creates a seamless connection to the expansive covered patio-perfect for entertaining or relaxing. Luxury vinyl plank flooring extends throughout the main living areas, while plush carpet adds warmth in the bedrooms. The split-bedroom layout provides privacy and function, with the owner's suite tucked at the rear and featuring a glass-enclosed shower with seat, dual vanities, and two walk-in closets. Finished in a soft, neutral, and modern color palette, this home blends comfort and style with thoughtful design and builder incentives you won't want to miss. Visit our Hakes Brothers model home
