MLS® #1897063

\$1,425,000

4 Bedroom, 5.00 Bathroom, 2,673 sqft

Residential on 4.00 Acres

Giboney Trails, Hempstead, TX

This property offers a combination of space, functionality, and versatility designed for a variety of living needs. The main home includes 4 bedrooms and 4.5 bathrooms with an open floor plan that connects the living, dining, and kitchen areas. The living room features a floor-to-ceiling brick fireplace, vaulted ceiling with wood beam detail, and large windows that allow natural light to flow into the space. The kitchen includes a large center island, custom cabinetry, stainless appliances, and a walk-in pantry. A designated dining area provides space for both everyday meals and larger gatherings. The primary suite includes a full bathroom with dual vanities, a walk-in shower, and a soaking tub. Each secondary bedroom includes an en-suite bathroom, offering privacy and convenience. A half bathroom is located in the main living area for guests. In addition to the bedrooms and main living areas, the oversized garage includes a 122 square foot bonus room. This room is finished with central air and heat and may serve as an office, hobby space, exercise room, or flexible storage. The property also includes a detached barn with multiple uses. The barn provides covered and enclosed storage space, along with a finished 200 square foot living area. This separate living space may function as guest quarters, a small office, or recreational room. The barn also includes two full RV hookups. One hookup is located inside the barn, allowing for covered RV parking with access to full utilities. The

second hookup is located outside the barn for convenient exterior RV parking. The layout of the home, garage, and barn allows for both residential living and flexible use of space for storage, work, or recreational needs. The barn and additional rooms extend the property's function beyond the main residence, providing options for owners who require space for vehicles, RVs, guests, or home-based projects. The property is designed to accommodate a range of needs while maintaining a practical layout. The main home offers space for everyday living with 4 bedrooms and 4.5 bathrooms, while the garage and barn add multiple utility options. The inclusion of two separate finished living spaces outside of the main home creates additional opportunities for use as offices, storage, or guest areas. With two RV hookups, one indoors and one outdoors, the property is equipped for RV storage, visiting guests, or extended vehicle use. This property provides a setting that combines a spacious main residence with additional structures that enhance its function. With multiple finished living spaces, RV hookups, and flexible storage, the property offers practical features suitable for both everyday living and specialized needs. Schedule a showing to review all features and see how this property may suit a variety of living and storage requirements.
