PALO BLANCO, San Antonio, TX

Welcome to 8234 Campanario in San Antonio's sought-after 78250 gated community! This home really delivers on efficiency with solar panels that keep electric bills surprisingly low, plus an EV charging port and water softener that protects your appliances while giving you noticeably better water quality. What makes this place special is the incredible privacy - no back neighbors, full privacy fencing, and a front porch that's tucked away from street view so you can actually relax outside. Inside, you'll love the vaulted ceilings that make the main living area feel so open and bright, and the kitchen flows perfectly into multiple dining spaces which is great whether you're having a quiet dinner or hosting friends.
