3 Bedroom, 2.00 Bathroom, 1,950 sqft
Residential on 0.29 Acres

MILLERS POINT, Converse, TX

At the end of a quiet cul-de-sac sits a one-story ranch that feels instantly welcoming. The new roof (2025) gives peace of mind before you even step inside. Open the door and imagine kids, pets, or friends spilling across the warm blonde-oak vinyl floors-beautiful and practical, with not a single inch of carpet to worry about. The vaulted living and dining area is where everyone naturally gathers. Light pours in, the brick fireplace anchors the room, and there's space for big dinners or quiet nights in. French doors open to the primary suite-a retreat within the home-offering a sitting area perfect for morning coffee or late-night reading, a walk-in closet, and a tiled shower with dual vanities to make busy mornings easier. The kitchen is designed for everyday life: plenty of storage for your gadgets, Corian countertops that can take whatever you dish out, and a cozy breakfast nook for pancakes on Saturday mornings. The third bedroom, also with French doors, makes an inspiring home office or a welcoming guest room. Step out back and picture weekend barbecues under the huge covered patio while kids or dogs play in the level backyard. A handy storage shed keeps everything organized. Add in a two-car garage, a repaired foundation with a transferable warranty, and an established neighborhood with easy access to Randolph AFB and Ft. Sam, and you've got not just a house, but a place to build a life.
