Welcome to this beautifully updated 4-bedroom, 2.5-bath home in the heart of Stone Oak, just a short walk from Reagan High School. This Sitterle-built home blends classic charm with modern updates and has been lovingly cared for from top to bottom. Step inside and you'll immediately notice the bright, open feel with soaring 18-foot ceilings and natural light pouring in. Every detail has been thoughtfully upgraded—from the new vinyl windows and stylish flooring to the custom California Closets in the primary suite, complete with decorative shelving and racks. The kitchen features granite countertops, recessed lighting, an induction cooktop, and a new KitchenAid microwave that matches the rest of the stainless steel appliances. The bathrooms have been refreshed with travertine counters and updated fixtures, and the home has all-new ductwork, insulation, and toilets for added comfort and efficiency. The backyard is a true sanctuary and really shines. A sparkling Cody Pool with a waterfall creates the perfect spot to relax or entertain. There's plenty of space to gather with friends and family on the extended sundeck-coated patio, surrounded by two pergolas with metal roofs and soft decorative lighting. The tropical landscaping has been professionally designed and is easy to maintain with a full sprinkler and drip irrigation system. Recent updates include a new pool motor, new pool vacuum, a custom accent wall, and an upgraded pergola. Whether you're hosting a summer cookout or

winding down after a long day, this backyard feels like your own private resort. Every inch of this home shows pride of ownership and attention to detail. Come see for yourself why this Stone Oak beauty stands out-you'll fall in love the moment you walk in!
