Welcome to 8004 Expectation Drive, a beautiful five-bedroom home in the sought-after Cross Creek neighborhood! From the moment you arrive, you'll be impressed by the home's inviting curb appeal, with a charming brick exterior, expanded driveway, and a welcoming covered entrance that sets the tone for what's inside. Step through the front door and you're greeted with warmth and versatility. To your left, a spacious downstairs bedroom with elegant double-door entry offers endless possibilities-it's ideal as a guest suite, home office, gym, or playroom. To the right of the entryway, a convenient half bath and coat closet add everyday functionality. Continue inside, and the home opens to a formal dining space, accented by an arched entry and a decorative cutout that keeps the area feeling open and connected to the main living room, perfect for entertaining or family gatherings. The living room itself is generous in size and flows seamlessly into the eat-in kitchen, creating a comfortable, open-concept atmosphere where everyone can stay connected. The kitchen is a true heart of the home, featuring ample cabinet and counter space, a decorative tile backsplash, built-in oven and microwave, and a center island with breakfast bar seating. The refrigerator conveys, and the washer and dryer convey as well, making it truly move-in ready for its next owners. Whether you're hosting friends or enjoying quiet evenings at home, the dual dining areas offer flexibility for every occasion,

whether that's formal dinners in the dining room or casual meals in the breakfast nook. Upstairs, you'll find even more space to spread out and enjoy. A large game room offers endless options: a second living area, media room, or a fun play space. The primary suite is a true retreat: oversized and serene, with room for a sitting area and a luxurious en suite bath featuring dual sinks, a soaking tub, walk-in shower, and a spacious walk-in closet. Three additional secondary bedrooms share a well-appointed full bathroom, providing plenty of room for everyone. The entire second floor has been upgraded with brand-new luxury vinyl plank flooring, adding both beauty and durability. The laundry room is conveniently located upstairs, right where most of the laundry originates-no more hauling baskets up and down the stairs.
