1 Bedroom, 1.00 Bathroom, 432 sqft
Residential on 0.20 Acres

Jefferson Heights, San Antonio, TX

Two lots under one address located at the corner of Belmont and Polaris in the rapidly developing Jefferson Heights neighborhood. Please do not disturb the tenant-drive by only. Showings will be allowed once there is an executed contract. This unique property offers endless potential and flexibility for investors, builders, or homeowners. Build a new home on the left lot while keeping the income-producing dwelling on the right, or check with zoning to explore the option of constructing two brand-new homes. Another opportunity may include applying for a separate address for the second lot and selling it individually. The area is experiencing tremendous growth, with new construction and renovations happening on nearly every block. The property's convenient location provides easy access to downtown San Antonio, major highways, military bases, shopping centers, and local restaurants. Whether you're looking for an investment property, a development opportunity, or a long-term income stream, this corner lot presents a chance to own in one of the city's most active and up-and-coming neighborhoods.
