SENECA ESTATES, Leon Valley, TX

An absolute stunner, this Seneca Estates corner-lot beauty has a commanding stance on the street and it's turn-key inside! This home is a single-story home with expansive interior living spaces to include a formal living room and formal dining room, an open eat-in kitchen, a large family room, an oversized utility/laundry room, two spacious bedrooms, and a glassed-in outdoor living space. Nearly every part of the house was reimagined and modernized: the kitchen will blow you away with the beautiful cabinetry and countertops, the house has matching cabinetry throughout, the LVP floors are warm and light, and the bedrooms are separated and generous. Aside from cosmetics you'll find big ticket items updated: modern electrical panel, young water heater, and nearly-new water softener! You've got to see this house to fully appreciate the work and love that has been poured into it.
