5 Bedroom, 6.00 Bathroom, 5,672 sqft
Residential on 0.80 Acres

SHAVANO CREEK, Shavano Park, TX

Nearly an acre in Shavano Park becomes the backdrop for a residence built around generous scale, updated finishes, and sincere indoor outdoor connection. Renovation executed with intention elevates the interiors, generous rooms settling into a rhythm that moves comfortably from gathering to retreat. Main-level living is the foundation, beginning with the primary and a private guest suite, followed by dual living spaces that open outward, a dedicated study, formal dining, and a Taj quartz-clad kitchen appointed with Sub-Zero refrigeration and an eight-burner Z-Line range. A substantial bonus room and three additional bedrooms sit above, extending flexibility without interrupting the ease of main-level living. A pool and spa form the center of the outdoor setting, joined by a putting green, an expansive lawn tucked just beyond, and a climate-controlled studio that offers a defined space for work or creative practice.
